Please check current licenses for expiration dates. If a license expires in 2019, you will need to have 6 semester hours (9 quarter hours/18 CEU's/180 clock hours) accumulated prior to June 2019 in order to apply for renewal. If you have received a new 5-year license, your IPDP must be updated in order to receive credit for all of the professional development earned throughout the next 5-year cycle. Also, pre-approval is required for alternative activities and some CEU sources.

The LPDC Handbook is available on the ESC's website. The handbook includes paperwork and procedures required for educator licensure. Also, it is an excellent resource for explanation about LPDC requirements. If you have any questions about the IPDP or licensure, ask an LPDC member: Amanda Knotts, Christy Rigsby, Janelle Smith and Ty Ankrom.

Furthermore, the ODE website (Education.Ohio.Gov) provides licensure information and downloadable license renewal forms (>'Teachers' >'Topics'>'Educator Licenses').
